

Lisa Swift

Illustrating landmarks,
landscapes, buildings
& wildlife.

Hi I'm Lisa, an illustrator from Chesterfield in North Derbyshire.

I love the outdoors and I'm very lucky to live just up the road from the Peak District and so many beautiful places in Derbyshire. This, along with my love of drawing inspired my collection of illustrations.

You'll often find me visiting beautiful places, especially in the summer with my partner John and our two children.

My illustrations are available to purchase in a range of products including prints, greetings card, postcards, mugs, coasters and fridge magnets.

I am also happy to work with shops to produce illustrations based on their local area. Please get in touch for more information if this may be suitable for you.

Take a look at the designs I have available and find all the important information regarding products types, pricing etc at the back.

If you would like to place an order or you have any questions please drop me an email at orders@lisaswift.co.uk.
